## **UPCOMING SERMON SERIES FOR JUNE 2017**

For the month of June, we're going to be taking a look at what kind of church we are. We going to be taking a look at what kind of Christians we are. I said just a short time ago that I don't want to be an average church! To me, that's just not acceptable, especially since we're not talking about a social club here; we're talking about a vital part (I hope & pray) of the Kingdom of God! So, this pastor wants us to consider ... being GREAT. I believe God has placed me here at Trinity not to lead Trinity UMC to mediocrity, but to GREATNESS for the Kingdom of God! Here are the upcoming messages for the month of June that you're not going to want to miss:

### **DARE TO ... FOLLOW!**

*(Matt. 22:34-40)*

### **DARE TO ... CARE!**

*(Luke 10:30-37)*

### **DARE TO ... SERVE!**

*(Matt. 25:31-40)*

### **DARE TO ... GROW!**

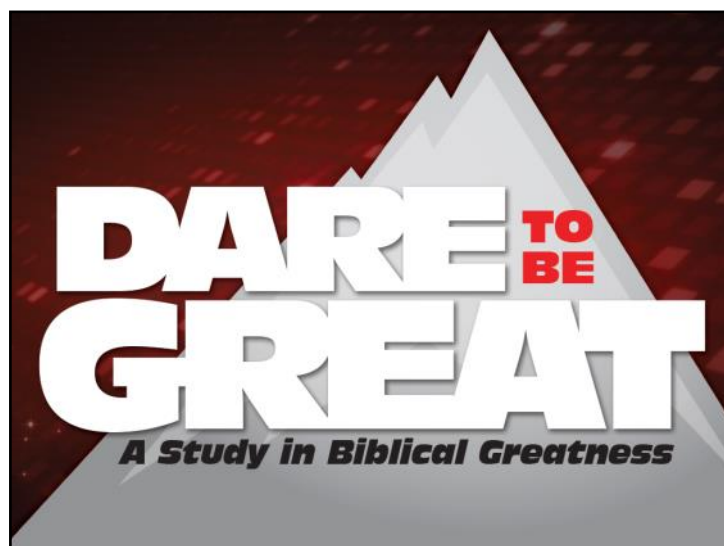

*(Matt. 28:16-20)*

### **DARE TO ... GO!**

*(Matt. 28:19-20)*

Again, you're not going to want to miss out on this very special series, as we consider who God wants us to be as a church (and as disciples) in the years ahead! Come on.

Worship with us in June. I dare ya! *Pastor Rom*

## “STAYING HEALTHY IN THE SUMMER...”

“And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.”

– Hebrews 10:25 (NLT)

Dear members & friends of Trinity UMC,

I realize that, as you read this newsletter, we will be heading into summer 2017. And we all know what the season of summer means in Wisconsin—especially as it relates to the church. It usually means it's a time to catch up with and spend more time with family & friends, many times at our home away from home. And, as I've stated previously, this is one pastor who's 100% behind spending more family time! So be encouraged in that; make sure you plan special times to be with family during these mild-weather months and make some memories together.

Now, with that being said, I need to speak from my heart on the subject of worship—*especially for these summer months*. And the first thing I want to say is this: *I want you to stay spiritually healthy during the summer of 2017!* My mother used to liken our patterns of gathering together for worship to our patterns of gathering together for a family meal. As the mom, she always used to tell us, “If you're not at my table at least once a day for the regular family meal, I'm going to get concerned!” Why would she say that? Because if you're not regularly nourishing your body with the fuel it needs to stay healthy, you're soon going to be un-healthy (sick)! And it's the same, spiritually speaking. Much of our culture today seems to struggle with the whole idea of being present at church—regularly. But, according to God's word, if we're the Church (The Body of Christ), that's what we do. And the reason is so that we can get 'fed' regularly from the Word of God. We need spiritual nourishment, just like we need physical nourishment—to stay healthy in every way!

God's word says (Hebrews 10:25), “And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.” Folks, we don't know what tomorrow actually holds; but we do know who is in control of our tomorrows. Matthew 18:20 (NLT) reminds us, “For where two or three gather together as my followers, I am there among them.” It's coming into Jesus' presence, on a regular basis, that keeps us strong and healthy spiritually.

Once again, *I want you to stay spiritually healthy during the summer of 2017!* Plan extra time with your family this summer; please do that! Make wonderful memories, using these mild-weather months and time that your children are off of school to do just that. I encourage you to! BUT ... when you're out of town this summer, consider worshiping at an area church or campground. And when you're in town this summer, don't forget about the Body of Christ called Trinity! Don't forget to come *home*; don't forget to pull up to the *table*. I promise you, when you come you'll get a quality 'spiritual meal' here. It's already on the menu...

See you in the summer pew, *Pastor Rom*

P.S. Another alternative while you're away during the summer months is always our website at [www.trinitylomira.org](http://www.trinitylomira.org) where the Sunday messages are always available for your viewing!

## **An Update and *Thank-you!***

Scott and I wanted to let you know that my surgery has been scheduled for June 27th at 7:30 in the morning at St. Joseph's Hospital in West Bend.

Things have been going very well so far. Tumor markers have continued to decrease in the right direction. We also had a CT scan last week that confirms the everything is decreasing which is great news. I will continue to be on the targeted therapy up to the time of surgery and will be placed back in it once surgery is over with.

Thank you for all the prayers and support during this time of loss also for my dad. I know that my dad is with me everyday and helping me to heal.

Thank you and God Bless,  
Karlene and Scott Krueger Family.

### **NEW MEETING TIME**

The Men's Fellowship Group, which meets at Suzie's Home Cooking the 2nd Tuesdays of the month will now be meeting at a new time. Starting in June, the meetings will begin at 8:00 AM. All are welcome.

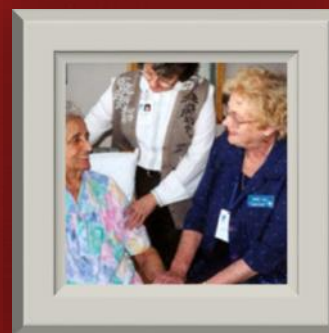

# Caring Ministry

The Caring Ministry is ready to begin in September. For those who have volunteered and for those who may do so in the future, you should know what to expect.

1. Attend two required training sessions: June 21 and July 12.
  - Both begin at 6:30 and will be run by Pastor Rom & Jane.
2. Following the end of the July 12th meeting, volunteers will be asked to sign a one year covenant.
  - September 2017 to August 2018.
3. Following a background check, each volunteer will be paired with a care receiver.
4. You will be expected to meet at least once a month ~ the day and time can be at your convenience.
5. There will be quarterly meetings to deal with anything that may arise. Well that's it. There is not too much to ask except that we could use more volunteers.

Should you volunteer? That is something only you can answer. I made the choice to volunteer and perhaps my story will help you answer that question. Much of what I learned about Jesus and His teachings came from listening to the music of the church inspired by God. Two songs have been important guides and motivators in my life. William Gaither's, "Because He Lives" ~ lines from the song say we can face uncertain tomorrows because He lives and He holds the future ~ my inspiration and great solace. The second song is "He Touched Me". I know that as He touches me, I also touch the lives of others. Some of His touches we are very aware and many others we're not, but we know this because He walks every step with us. So it is with those we touch. My parents and three other couples bound by similar interests (all were farmers) and friendship got together once a month to play cards, talk and eat. After a great many years all passed away except two of the wives. They both resided in assisted living homes. My brother and I visited them and asked if they would like to play cards ~ the answer was, "Yes". One of the women always kept her coins in a pill bottle and I always told her I was going to get to the bottom ~ to which she always said, "No". After a number of years, both ladies were also called to their eternal home. A couple of months later the son came and told us of how much his mother looked forward to the card games and then he handed me the pill bottle of coins. It was then that I realized that the games were far more than just entertainment. God intended for us to do this and the Christian love shared was indescribable. My rewards were far greater, as in the line from "He Touched Me" ~ "Oh, the joy that fills my soul". I am sure that all of us can relate such experiences. We all have the love and support of our families, but sometimes it's the Christian love of another that can make a difference. So maybe you will consider being a volunteer and feel the joy that fills your soul and makes your heart sing. Do you hear the music?

## BIBLE READING CHALLENGE

For those who have taken up the challenge (or would like to take up the challenge right now!), we'll be reading through the Words of Jesus for a second time ... but with a completely different focus. The first time through this reading, we were on the constant lookout for the 'promises' of Jesus. This time through the reading, we're going to be keeping an eye out (and hopefully, keeping a list on the side) for the 'miracles' of Jesus--our topic for the next round. If you have any questions, please contact Pastor Rom either through his email ([pastorromtumc@gmail.com](mailto:pastorromtumc@gmail.com)) or via phone (608) 417-0060.

Our heartfelt thanks for the many generations of Methodist cooks and waiters that have provided extraordinary service to the grieving families of Trinity. The United Methodist Women are no longer able to prepare and serve the funeral meals here at Trinity. Hundreds of delightful meals have been provided for the attendees and family members. Words cannot convey our thanks for this outstanding service.

## A plea for Iserat...

Many of you already sponsor an overseas child (or two) with as little as \$35.00 per month. Thank you! "Your" child is being given the chance to become a productive adult and her village will also benefit.

Trinity's Adult Fellowship has been providing that advantage to a child for a number of years, but advancing age, and changing circumstances have shrunk the group, making it difficult to meet the commitment.

The child is now 15 and the support will end when she reaches 18. Perhaps you've wanted to share the abundance we all enjoy through the luck of our birth, but haven't yet taken the step to make it happen. Or maybe you are a member of a neighborhood group that's looking for a purpose.

Please call Teresa in the office (260-4411) to accomplish a simple take-over of that gift or to learn more.

## MEMBERSHIP CLASS

We will be offering a membership class this fall, either for those desiring to officially join Trinity United Methodist Church as their local congregation or for anyone interested in the topic of membership. There will be a sign-up sheet by mid-summer in the Narthex for this upcoming class. This will be a 6-week class with the pastor, beginning in October. The dates for this class, which will be held on **Wednesdays at 6:30 PM**, will be as follows:

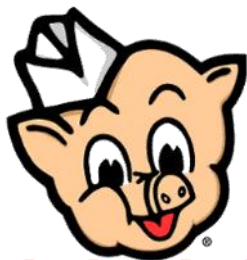

- **October 4, 11, 18 & 25**
- **November 1 & 8**

Please do sign up if interested in the topic of membership, or if you have a desire to be a member of Trinity UMC. I look forward to spending this quality time with you!

***Pastor Rom***

Note: Trinity UMC suggests a \$10 donation to cover the materials used in this membership class.

### Did you know?

Did you know that TUMC collects Pig receipts! A very simple thing to do when you "Shop the Pig" is to save your receipts and turn them in to our church. There is a receptacle in the Information Rack in the Narthex for you to place them. The receipts are collected and taken to the Pig for redemption.

## Sunday School Teachers Needed For September

We would like to have 2 teachers in each classroom as a team working together with the kids. So volunteer with a friend, or alone and we will pair you up. For more information, please contact our Director of Christian Education, Jessica Marschie at 920-583-4675

## In September, since there will be no Children's Time over the summer, we will need Children's Time Leaders for the 3<sup>rd</sup> Sundays of the month and as substitutes.

Pastor Rom and Teresa will help with ideas for the Children's Moment. We just need someone willing to work with the children. Please contact Teresa in the office 920-269-4411

## Videotaping Sermons... June - August

### Please, please, please...

contact Teresa in the church office if you are able to assist with videotaping the sermon during the upcoming summer months.

It has been requested the taping be done at the 10 AM service but please contact Teresa with your availability, for either service. If you are unsure as to your schedule, you can also check back in with Teresa later in the summer to see if you are able to fill any holes.

Haven't videotaped yet? Teresa will make arrangements to get you the training you need. It's a piece of cake!

Thanks to all who have assisted so far!

## A Thank You from TUMC goes out to Cook Tepmungkorn,

friend of Leon and Joan Brasch and son of Aew Tepmungkorn. Aew was a foreign exchange teacher in Lomira 23 years ago. She turned Christian and was baptized at our church while here and while she lived with Leon and Joan. Her son, Cook, also became a Christian and was baptized at our church. On a recent visit back to Lomira with Leon and Joan, they made a \$1,000 donation to our furnace fund. Praise the Lord!
