SERMON SERIES FOR APRIL—May 2018

On Easter morning, we begin a brand new worship series—a series that is literally for everyone! There's never been a better time to invite friends or neighbors who need some encouragement in life than right now. The series is called: "God Loves You." Check out the Sunday messages coming up in this series:

- April 1 (Easter) – "The Power of the Empty Tomb!" (Mark 16:1-8)
- April 8 – "God Loved You Before You Were Even Born!" (Jeremiah 1:4-9)
- April 15 – "God Carved His Love in Stone!" (Deuteronomy 33:1-3)
- April 22 – "God's Love Never Quits!" (Psalm 86:8-15)
- April 29 – "God Loves You Even When You Don't Love Him!" (Luke 15:11-32)
- May 6 – "God Loves You When He's Correcting You!" (Proverbs 3:11-12)
- May 13 (Mother's Day) – "God's Love Will Never Let You Go!" (Romans 8:35-39)
- May 20 – "God Loves You and Wants You with Him Forever!" (John 14:1-4)

Don't miss out on all God wants to offer YOU through this series of teachings. If you, or anyone you know, needs to hear this truth about God's love for us, please join us! We worship at both 8 & 10 AM Sunday mornings...

Easter is here!

And, as Christians all over the world will echo ... 'HE IS RISEN!' This year—on Easter morning, we're starting a brand new worship series called: GOD LOVES YOU—*despite your past, wherever you go, right where you are*. And that, folks, is the Good News of Easter! And that is a message so many in our world need to hear today—*right now*!

So, how much does God love you? I don't know of one single individual on the face of this earth that doesn't want to (or need to) know they're loved! We live in a tough world that is not always open to loving others, to handling life issues in a loving way, to leading in a loving way. But we believe that's God's way. Because that's been the example before us. God loves us and expects us to love others in turn—a love that comes from thankful hearts.

Some may be asking, what are we supposed to be thankful for? The fact is, before Jesus, we were lost—eternally. Our relationship with God had been torn in two. And nothing could put our relationship with God (and the assurance of an eternity with him) back together except for God. And God's plan to do this very thing—right from the start—was an incredibly unselfish one that cost God big-time. And God didn't love us because we deserved it. But, as the Bible explains it, God loved (and loves) us first. His plan of reconciliation was for his only son, Jesus, to become one of us—to come into our world, to sacrifice his own life (the only acceptable sacrifice—no sin), and give himself fully for us. In Hebrews 2:14-15 (NLT) we're reminded: "Because God's children are human beings—made of flesh and blood—the Son also became flesh and blood. For only as a human being could he die, and only by dying could he break the power of the devil, who had the power of death.¹⁵ Only in this way could he set free all who have lived their lives as slaves to the fear of dying." What an incredible gift! But, it cost God the life of his only son. God loves us that much!

And Easter is the story of the power of the devil, the power of death, being broken. What incredible Good News!

This ol' world can be very unforgiving at times. So, how 'bout a God who both loves and forgives—doing something so amazing that we might be forgiven! It's an incredible story ... and it's the Easter story. We start on Easter morning, then continue learning about the extent of God's love for the next seven weeks after Easter. Again, who doesn't want to know they're loved? That's what you're going to be hearing about on Easter and beyond.

So, if you—or any one you know—needs to know that they are loved, Trinity UMC will be the place to be on Easter and several weeks thereafter. Don't miss out on this vital series—vital to our walk with God, our future with God. Join us, won't you (Sunday Worship: 8 & 10 AM)? And know, as you anticipate coming to Easter this year ... GOD LOVES YOU!

UPDATE ON UMW... At a meeting on Feb. 18th, United Methodist Women of Trinity voted unanimously to disband our group. We are sorry to have to do this, but because we have lost members to deaths, illness and some members relocating to other areas, we felt that our membership has been reduced to a point where we do not have the ability to continue. We have good memories of our fellowship in the past years and feel that God has blessed us greatly, but the time has come to move on to other service in the church if we are able.

New Address:

Leon and Joan Brasch
125 Cedar Ridge Dr. Apt. S239

Our Prayer list covers for 6 months. If you feel someone needs to continue or be placed back on the list, please let Teresa know. Thank You.

Update the Office

As we move into Spring...If you have a new phone number, address, email or prayer request...please let us know by filling out a **"Connection Card"** while at church. Thank you, Teresa Amerling

Dear Friends,

Christmas is a wonderful time to reach out to the many who are a part of my life. May this season be one of peace, joy and love for you. I appreciate hearing from you.

In June, I was privileged to return to Bolivia for the 5th Disabilities Conference. The attendance was amazing with over 150 teachers, social workers and nursing students present. They even came early and stayed until the final minutes! When we began the conferences, Bolivian teachers, who had no training in mainstreaming special needs students, were facing the daunting task of integrating them into the classroom and providing a good education for both the special needs children and the remainder of the class. And there was not a lot of interest. Now we find that interest is high and the number of special needs options is growing.

We visited the Walter Henry Educational Complex (Advance #12320A) for the morning assembly and for the celebration of the school's Birthday. There are 250 students this year and there is a lot of work being done on the school facilities. We would like to organize a VIM team to work with upkeep, construction and possibly teaching. Your continued support of the Advance helps make this quality Christian education possible. Thank you!

I enjoy traveling. I flew to Amsterdam with a college classmate and we began a Rhine River cruise. I can't tell you much about the cruise - saw no castles nor mountains- but there is an excellent hospital in Koblenz, Germany, where I had an emergency appendectomy! All turned out well and we spent an extra week in the Netherlands.

Blessings,

Susan Henry
