

UPCOMING SERMON SERIES FOR JANUARY 2021

Coming into the New Year of 2021, many of us still have questions about why 2020 went the way it did—questions like 'How can a loving God allow such pain and suffering?' It seems the perfect time to get into some of those questions and start off this New Year knowing that whatever we go through, we can count on God to be there for us—knowing what is ultimately best for us. Following are the messages that will start on Sunday, January 10, and take us right up to the Season of Lent:

- January 10 "The Problem of Pain" Hebrews 13:5, James 1:2-4, Rev. 21:1-7
- January 17 "Faithful Despite Betrayal" Genesis 37
- January 24 "Faithful Under Temptation" Genesis 39
- January 31 "Faithful through Adversity" Genesis 39-41

We will continue offering two forms of worship for January (starting on the 10th) and do the best we can with the weather. Our backup will be our online worship on YouTube. And if we have to cancel the parking lot due to weather and you don't do YouTube, we'll get you a DVD of the service upon request. Let's look forward to this New Year together, and to learning more about the reality of pain in our lives from God's perspective.

May each of you know God's blessings in a very real way in the New Year...

Pastor Rom

"And the one sitting on the throne said, 'Look, I am making everything new!' And then he said to me, 'Write this down, for what I tell you is trustworthy and true.' ⁶ And he also said, 'It is finished! I am the Alpha and the Omega—the Beginning and the End. To all who are thirsty I will give freely from the springs of the water of life. ⁷ All who are victorious will inherit all these blessings, and I will be their God, and they will be my children.'" – Revelation 21:5-7 (NLT)

Dear Trinity family,

God's word never ceases to amaze me and, in being totally honest, I forget about certain scriptures if I haven't been reading or studying in that area of the Bible for a while. Revelation is a good example. Being the last book of the Bible, it's kind of like it's God's final word in a sense—at least book of the Bible.

last book of the Bible, it's kind of like it's God's final word in a sense—at least as far as the canon goes. The scripture above is one of those that both amazes me and makes me very, very thankful ... especially after a year like 2020. Take a quick look at it if you haven't already...

Referring to Revelation 21:5-7 (NLT), the one sitting on the throne is ... God. God, of course, is the Creator, amongst other things. So, when he says 'Look, I am making everything new!' he is saying this as the Creator—one who *can* make everything new. One of the ways God makes things new in this world is through his Presence (Holy Spirit) among us. And for some of us, wouldn't a more real Presence of God be something new in 2021? For some of us, this past year has really drug us down, wore us out. We need someone to help us through this time. And that someone who *wants* to help is ... God. But it's up to us to allow God to be present in every area of our lives!

One thing I know, as we begin this brand-new year, is this: *If God is Present with us, there is nothing going on around us that can get us down or keep us down*! God will be our ultimate reality, not our circumstances ... or the circumstances of those around us. If God were truly Present in that way in our lives, would that be new? Wouldn't God be 'making everything new' in our lives in that way—in 2021? My prayer is that each and every one of us would allow God to be Present in our lives in every way this coming year—to allow God (we have free will, you know) to make everything new for us. Following would be my prayer for all of us as we begin 2021:

Gracious God, we thank you for your great love and blessing over our lives. Thank you that your favor has no end but lasts our entire lifetime. Forgive us for sometimes forgetting that you are intimately acquainted with all our ways, that you know what concerns us, and you cover us as with a shield. We ask that we would walk in your blessing and goodness today. That your face would shine upon us. That you would open the right doors for our lives and for our loved ones, that you would close the wrong doors and protect us from those we need to walk away from. Establish the work of our hands and bring to fulfillment all that you have given us to do in these days. We pray that you would make our way purposeful and our footsteps firm out of your goodness and love. Give us a heart of wisdom to hear your voice and make us strong by your huge favor and grace. And, Lord, lastly ... open up our hearts for whatever you desire to 'make new' in us. In Jesus' name, Amen.

Have a blessed New Year in Christ—knowing his Peace and Joy every step of the way, *Pastor Rom*

Stewardship and Finance Offering

I was thinking about what to write for the January newsletter article and I try and make these not only information but also teachable and inspiring articles. As we the SF team are learning more about stewardship, I try to pass that along in these articles. I was really struggling on what to write about, maybe it was just due to the long year we have all had and feeling a little spent. But I sat down to write the article...at the last-minute, hoping something would come to me and one of my favorite things to do to keep in the Christmas spirit is listening to Christmas music starting the day after Thanksgiving through December. So, I fired up Pandora on the computer and my wife Jessica had it on her favorite Pandora Christmas station *Straight No Chaser* which I like but, I am more a *Country Christmas* or *Mariah Carey Christmas* guy myself, don't judge! Anyways I decided to leave it on. Wouldn't you know a song came on that inspired this article and I wasn't even planning on listen to that station, can I say divine intervention!

It was a song by Michael Bublé called <u>*"The More You Give (The More You'll Have)"*</u>. It is a song I have heard several times before but never really listened to the lyrics or even paid attention to the song title. I have always liked the song as it is up beat and I find myself bopping along in my truck or office chair, so I don't hear the lyrics a lot of times with songs like that as I am too busy getting in a groove from the beat of the song rather than the words. Yeah, there is crazy, silly, quirky side of me only my wonderful family gets to see most of the time. They are so blessed .

This year though I took the time to find out the name of the song so I could look it up and listen to it whenever I wanted. When I read the title, I was like "God you did it again". The more you give, the more you'll have. Isn't that what he is trying to tell us throughout the Bible. Be a caring and giving people to offer help to others before we help ourselves. That is always easier to do at Christmas time as the reminders are all around us to GIVE and HELP and be GENEROUS. My question to all of us including myself is how do we keep the reminders going all year long? How do we get to that extravagant level of giving that goes above and beyond our tithes and offerings each week? Where can you help out at church, what missions, group/ committee, or projects can you get involved with (Youth, OCC, Caring, Women's group, Men's group, Music, Generosity, Evangelism, Coffee Connections, Maintenance Projects, Sunday School, there are so many)? What Time, Talent, and Treasures can you offer your church? We can all keep the Christmas spirit alive all year long when you put yourself out there physically and financially with your church. You can't tell me you don't feel a warmth inside when you know you did something good to help someone, when you give a tithe or offering and you know how it will help the church in so many ways. That is what God is telling us the more you give the more you'll have. That "more you'll have" is relationships, and comfort, and family, and health, and on and on.

The main lyrics from the song are "So spread some cheer, Let's give love and get some back, The more you give, the more you'll have". Let's find a way for Trinity to do that in 2021, in the words of Eddie from Christmas Vacation - "That's the gift that keeps on giving the whole year"

Thanks Trinity Church Family For The Best Christmas Ever!

We have been blessed to be able to share our time and musical talents with you. Great joy for us!

We offer a very special thank you to all our church musicians who added beauty and variety to our Christmas Eve and Sunday after Christmas services. Beautiful music for Jesus! The end results depend on more than anyone knows. Recording and technology are what makes worship meaningful for all. Credit goes to Pastor Rom, Jane and Jess in our office.

Be positive-next year we will be back to sharing music in large groups. We thank Jesus for this unusual year and we give the New Year totally to him. Jesus is the reason for the season and everything!

Our love to Jesus and all our Church family, Priscilla and Jason

O Holy Night

Dear Trinity United Methodist Church family,

This probably violates some Operation Christmas Child policy but here goes.

I just returned from volunteering at the Chicagoland Processing Center and had the privilege of preparing some of your beautiful shoebox gifts for shipping on December 2. I have volunteered to process shoeboxes for many years and also serve as a year-round volunteer with OCC so I have seen a lot of shoeboxes. I have to say that your shoeboxes are among the most generous and intentional gifts that I have SEEN. Operation Christmas Child shoeboxes are a tangible expression of God's love and a shoebox packed to the very top with so Many nice and useful things certainly reflects the abundance of God's love - packed down, shaken together and overflowing (Luke 6:38) | also know from my experience at outreach events that your notes with colorful photos will be treasured by the children who get them and will surely encourage them on their faith journey. Whether you hear back from your children or not, I am certain that your gifts will be received with a lot of joy and will hopefully create a desire to learn more about Our Lord Jesus Christ through The Greatest Journey discipleship program.

Your shoeboxes and thoughtful note made me stop and smile just thinking about the astonished looks on so many little faces when they receive your gifts and how the example of your unconditional love for someone you do not know will help encourage those young ones to respond in faith to the Gospel.

Merry Christmas and many blessings to you all!

Trinity Holiday Outreach Project

The Christmas gifts from Trinity's Mission & Outreach activity were delivered to Hope Health & Rehabilitation Center mid-December. Each resident and tenant received a beautiful ornament, a bottle of Suave Body Wash, and a bag of candy treats. Although we truly miss visiting our senior friends in person this year, we hope these gifts brought them joy during the holiday.

Special thanks to Amy Unferth for designing and hand painting the (two-sided) ornaments. Also, many thanks to all who donated body

Tina Rawlins January Trinity Shoebox Project Angel

How have you been involved with Trinity's Shoebox Project? I became involved in the Shoebox Project last January when I started to make soap bags. It all started after I made them as Christmas presents for family and friends and getting "hooked". At first I thought of making them for homeless shelters in Milwaukee but found that this wasn't as practical as I had thought. The Shoebox project was a perfect match, each bag of soap is small enough to add to each box and useful to all who receive.

I have to admit that on weekends when I get to leave work in Milwaukee, I tend to binge TV; working on craft projects helps to reduce the guilt and fun too. Since COVID-19, my evening activities, ushering in the theaters, ended abruptly, I substituted the time by crocheting soap bags – something relaxing, simple and practical. At first I knitted the bags, a talent taught to me as a child by my Nana, but I found crocheting to be easier and a lot more portable. Watching YouTube videos to learn how, it was quite easy to switch. I have been known to crochet through meetings, even church services before the closure, and within 30 minutes, a new soap bag is completed and ready to be filled and ready for the project.

My original goal was to make 250 by Christmas which I surpassed before March and at a rough guess, I must have made over 1,000 and am already working on bags for Christmas 2021. For the curious out there, these are the simplest of projects; J hook, cotton yarn, crocheted in any stitch you like to make a rectangle approximately 3" by 8", fold in half and crochet 3 sides to close, create two ties as a drawstring to pull together to top – voila!

Thank you **Tina** for sharing your time and talents!

Opportunity to participate! Please consider purchasing full size bars of soap to donate to the Trinity Shoebox Project. Hundreds of bars of soap are needed to load the soap bags Tina and others who get 'hooked' create throughout the year. The soap bags are part of the hygiene kit that are packed in every shoebox. If you are able, please leave the soap in the OCC barrel or outside drop-box. Alternatively, reach out to Amy Unferth, Heidi Zingsheim or Tina to drop-off or arrange pick-up. Thanks in advance for your help to meet this need!
