Dear Church Family,

Summer is finally here! With the warmer weather and longer days, many of us are planning vacations and time to relax with family and friends. This season often gives us the chance to **slow down, breathe deeply, and enjoy God's creation.** While it's good to take a break and find rest, life and ministry continue. As Scripture reminds us in **Isaiah 40:31**, *"But those who wait on the Lord will renew their strength; they will mount up with wings like eagles, they will run and not be weary; they will walk and not faint."*

First and foremost, I want to express my heartfelt thanks to each of you. Thank you for your faithfulness in giving, serving, and praying. Your support of our church and its mission is deeply appreciated. Whether you are involved in worship, outreach, prayer, or simply showing up each Sunday with a smile, your presence matters. You are a blessing. If anyone deserves a little rest and refreshment this summer—it's you!

This month is filled with meaningful events in the life of the Church:

The Ascension – June 1

The Ascension of our Lord reminds us that Jesus returned to the Father after His resurrection. He did not leave us alone—He promised the gift of the Holy Spirit. Acts 1:9 tells us, *"He was taken up before their very eyes, and a cloud hid him from their sight."* The Ascension reminds us that Jesus reigns in glory and is still working in our lives.

Pentecost Sunday – June 8

Pentecost is the day we remember the coming of the Holy Spirit. Acts 2:4 says, *"All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them."* On this day, the Church was born, and we were empowered to be witnesses of Christ in the world. It is a time to celebrate the Spirit who gives us strength, guidance, and boldness to share God's love.

Great Lakes Global Methodist Annual Conference – June 10-13

This year's Annual Conference will be held in Spring Arbor, Michigan. While everyone is welcome to attend, only Lay Delegates and Pastors are allowed to vote. For our church, both Kathy Drexler and I are honored to represent you in this important time of worship, decision-making, and fellowship with other churches.

**Father's Day** – June 15

On this special day, we give thanks for fathers and father figures who have guided us in faith and love. Psalm 103:13 says, *"As a father has compassion on his children, so the Lord has compassion on those who fear him."* Whether your father is near, far, or has passed on, we remember and celebrate the love and strength they gave us.

Let's now turn our attention to the scriptures and sermons that will inspire and uplift us throughout the month of June:

Though I will be on vacation on June 1, we will be blessed with a guest preacher, Laverne Larson.

- June 1 – Acts 1:1-11 & Luke 24:44-53 – *"Looking Up, Looking Around, Looking Forward."*
- June 8 – Acts 2:1-21 – *"Not Drunk, But Filled!"* The Spirit fills us with new life and boldness. We are not confused or lost; we are Spirit-led!
- June 15 – John 14:8-17, 25-27 – *"The Holy Spirit as Helper, Truth, and Teacher."* Jesus promised the Spirit to be our constant companion and guide. We are never alone.

- June 22 – Luke 8:26-39 – *“From Chains to Testimony.”* Jesus sets us free so we can tell others about His power and love.
- June 29 – Luke 10:1-11, 16-20 – *“Trust, Even When It’s Hard.”* Jesus sends us out to serve, not with fear, but with confidence in Him.

As we walk together through this month, let us continue to love one another, encourage each other, and hold fast to our faith. I pray that your summer is filled with moments of peace and joy. May your heart be renewed, and your soul refreshed. Philippians 1:3-4 says, *“I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy.”*

Thank you for being the loving, faithful, and Spirit-filled church that you are. May God’s grace and peace be with you always.

With love and blessings,

Rev. Mulongo Mpoyo

Memorial Day is a federal holiday in the United States for mourning the U.S. military personnel who died while serving in the United States Armed Forces. It is observed on the last Monday of May.

Thank you to our TMC veterans: Doug Kiehnau, August Luedtke, and Jeff Unferth, who presented honors, prayers, and a military salute to the deceased veterans in 13 separate cemeteries on Memorial Day.

My dad has always been the one I can count on. He believes in me when I don't believe in myself and pushes me to go after my dreams, even when it's hard. He's taught me to be strong, to stay true to who I am, and to never settle. I wouldn't be the person I am today without him, and I'm so grateful for everything he's done for me. - McKinley

Over the years, my father has always been a great role model for me and he has always shown me what a great work ethic looks like. He has always told me that if I want something or want to achieve a certain goal, I'll have to work for it. I'm very grateful for all of the new things that he has taught me and grateful to have him in my life. Happy Father's Day! - Owen

# DAD

Ever since I was a little kid, I have always looked up to my Father as someone that I wanted to be like. I learned so much about what is important

in life and who I wanted to be when I was older just by watching him every day. Even now as I am in college and away from home, I know that my Father is always watching over me, teaching me whenever he gets the chance, and he's someone that I will always be able to count on. My Dad has always wanted what is best for me and I am so grateful for the incredible role that he has played and continues to play in my life. -

My dad has always been there for me, guiding me through life's challenges and teaching me the value of hard work. No matter how tough things got, he stood by my side, offering advice, encouragement, and support when I needed it most. He has always believed in me, even during times when I doubted myself, and his confidence in me has pushed me to keep going. Through college and all the struggles that came with it, he remained a steady presence, reminding me of my strengths and helping me overcome obstacles. His dedication and work ethic have shaped the way I approach my own goals, and his example has taught me the importance of responsibility, and determination. He is someone I admire deeply - not just as a father, but as a mentor and role model. **Alex F**

My dad has always been one of the most important figures in my life, shaping who I am through his actions and guidance. My dad's role in my life has shown me to make sacrifices for the people you love. I can't remember a time when my dad ever put his needs before someone else. Growing up with this as my role model helps me understand kindness and love. If I didn't have my dad here with me throughout my life I don't think I'd be as mature as I am. I thank God everyday that he blessed me with a man who shows me the world in a whole different perspective. - **Katelynn K**

My father, Ben, is one of my biggest supporters. He plays a vital role in my everyday life, including when it comes to my sport. Being an athlete isn't easy-and he knows that firsthand. That's why, whether I have a good or

bad track meet, he's always the first one there to give me feedback, encouragement and a reminder that everything will work out, no matter what the outcome is. I'm so grateful for that. I am beyond thankful for his constant presence, both on good and bad days. It's his constant support and belief in me that keeps me motivated and confident. Beyond sports, I thank him for everything he does for my family and I, and for being a great person to look up to. It's easy to say he is a fun and caring person. There's never a dull moment when he's around and I'm incredibly lucky to have him as my father. Thank you for everything dad, love you! - **Carlie Priesgen**

# Father's Day Tribute to My Dad, Michel Mpoyo Mwanza

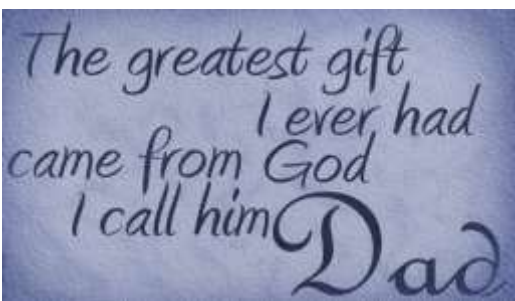

(Mom, dad, and myself in 1967)

There are many memories I keep from my father, but I can summarize them in a few words. My father was a man of great integrity. He lived a life that showed honesty, respect, and strong values. He was always calm, full of wisdom, and very intelligent. He planned everything carefully and was very organized in the way he lived. But what stood out most was his heart. His heart was full of love, kindness, generosity, and the fear of God. He **didn't just lead our family** - he was the strong and loving head of it. He showed us what it means to care for one another, to put others first, and to walk humbly before God.

My father was a quiet man, but his silence had meaning. He listened more than he spoke, and when he did speak, his words carried weight. I still remember the advice he gave me over and over again: **"You should say something when your words are stronger than your silence,"** and **"You**

**have to keep quiet if you don't have anything to say."** These words have stayed with me and continue to shape how I speak and act.

**My father's view of the world was simple, others come first. He lived his life helping, giving, and thinking about others before himself. He taught me that true strength is not in showing power, but in showing love. He was truly a man of God, and he lived his faith every day. I really miss him. There isn't a day that goes by without me thinking of him. But even though he is no longer with me, his example, his words, and his love still live in my heart.**

My father is my emotional support in my life. He is a shoulder to lean on, and someone who is always perfect to talk to. My father is always there when I have a bad day or just need someone to rely on. Overall, my dad is a best friend who helps me be who I am. -Madeline M

### Congratulations to Lyric Backhaus for earning a treasured keepsake, Noah's Ark.

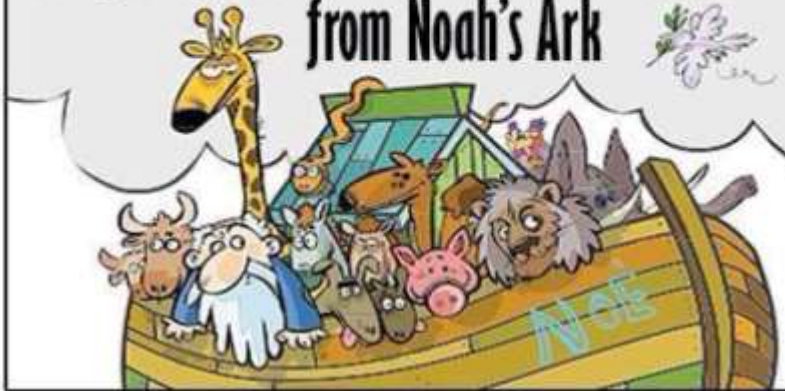

Last fall, the Sunday School program started a new incentive for the children who attended class. Every week, the students who were in class could take home one of the wooden, handmade ark animals. After all 20 animals were earned, the student would be able to take home the beautiful ark shown in the picture above.

We had one student, Lyric Backhaus, who attended **all** Sunday School classes this past year and earned all of the "ark animals" and the "ark" to house her animals.

Thank you to Bill Buske for the idea and our **"Craftsman"** and **"Craftswoman,"** Lee and Deb Bintzler-Oestreich for your skill in creating the animals and ark.

Many other Sunday School children are only a few pieces away from earning this precious gift. Stay tuned as they should be awarded their prizes in the fall when classes begin again.

### Everything I need to know about life, I learned from Noah's Ark

- 1 Don't miss the boat.
- 2 Remember that we are all in the same boat.
- 3 Plan ahead. It wasn't raining when Noah built the ark.
- 4 Stay fit. When you're really old, someone may ask you to do some thing really big.
- 5 Don't listen to the critics; just get on with the job that needs to be done.
- 6 Build your future on high ground.
- 7 For safety sake, travel in pairs.
- 8 Speed isn't always an advantage. The snails were on board with the cheetahs.
- 9 When you're stressed, float a while.
- 10 Remember, the Ark was built by amateurs; the Titanic by professionals.
- 11 No matter the storm, when you are with God, there's always a rainbow waiting..

One of the highlights was a fun boat ride around town, which we followed up with delicious s'mores. Throughout the week, the kids learned about the Fruit of the Spirit and the Armor of God, making it a truly memorable and enriching experience for everyone involved.
